

20¢ CENTBOX Vending Machine

Indulgence is not limited to ice cream, but also extends to snacks. We have brought together star products from Taiwan, USA, Korea, Thailand and Korea in 1 vending machine.

The best thing is that enjoyment does not necessarily come at a high price. With the 20¢ CENTBOX concept vending machine, consumers can always get the 20¢ deal products after buying any item (ice cream or wrap (popiah) from Singapore's famous Mr Popiah).

To ensure consumers get the most out of the 20¢ CENTBOX concept, the selection of products on the 20¢ deal will be changed from time to time.
