

# V-Store for Quick-Commerce

Smaller capital • Wider reach • Automate 24/7 • Higher margin

## 1 V-Store: 4 Functions

### Profitability

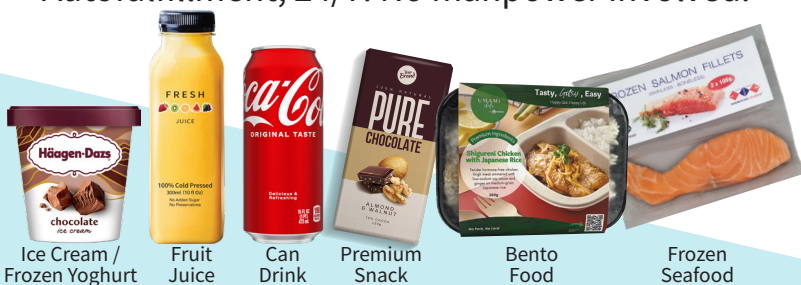

- Able to selling premium, high-margin products
- Autofulfillment, 24/7. No manpower involved.

### Scalability

- <10% of the cost of a dark store
- Requires only 1m<sup>2</sup> space, low rental, flexible location
- Expandable to smaller town areas

### Lean Operations

- 1 staff can operate 25-50 machines
