About Us

Happy Ice is the pioneer in bringing Ice cream vending machine to the mass market in Singapore. It invented a small and cost effective ice cream vending machine that can be deployed to the market in large scale. The machine takes up only a tiny foot print size of 71.4cm x 90 cm, which is less than 0.65m². It has a holding capacity of 350 pieces of ice cream. The machine body is built with PE foam to achieve superior coldness retention and low power consumption rate. It has deployed more than 600 frozen vending machines in Singapore and Malaysia (as of Dec 2024).

Direct Vending Machine Model F

Size (W x D x H cm): 72 x 90 x 198

Weight: 280 kg

Total SKU: Up to 18 SKUs

Rated Power: 200 watt

Thermal Holding Power: 12 hours

Operating Temperature: -25°C

Remote Monitoring: Yes

10" Touch Screen: QR payment, Online Redemption, Marketing Video, Multiple Purchases

Support Payment: Cash & Cashless

LED Light Box / Products Display Box: W45 x H34 cm
